Dear Sophie,

I was recently in Corning on business and happened to see the article in the Star-Cozette newspaper about you sending holiday cards to our service men and woman.

I live with my family in Cape Coral, FL, and brought that article home with me. When I showed it to my family, we all decided to send you some cards for your hopes for goal. I commend you for a very worthwhile project and for all your hard work in accomplishing what you set out to do.

I wish you and your family, a very happy and healthy holiday season. Thank you for thinking of our service men and women.

Happy Thanksgiving,
Merry Christmas and a
Happy New Year,

Tare Clark & family
